Physical Education Uniform Requirements:

Students are required to change into a physical education uniform. It should consist of a plain white or grey t-shirt or a white or grey Faribault t-shirt with your last name on the front. Black, green or grey gym short along with tennis shoes are required. Items may be purchased from FMS for \$14.

FARIBAULT MIDDLE SCHOOL 2018-2019 SUPPLY LISTS

Greetings FMS Families!

For the 2018-2019 school year, we will be implementing the use of student binders school-wide. The purpose of this implementation is to promote students being prepared and ready for learning each day and in each class.

The items have been selected by each grade level as necessary items to be successful. Please refer to the lists on the back of this page. We are asking that students purchase a 2 inch, heavy duty, clear view binder. Please refrain from purchasing accordian-type organizers, or zipper-style binders.

All students should have their supplies with them on the first day of school. The supplies will be collected, organized and assembled in the Advisory period.

Thank you. We are looking forward to another great year at FMS!
